Jody,

I just wanted to drop you a brief note to thank you for carefully scrutinizing our AT&T Telecom bills. You confirmed that Hein Electric did indeed negotiate a good deal with AT&T for Local and Long Distance services at our nine locations. This is comforting as our Telecom services and bills can get pretty confusing and costly.

Thank you for pointing out that AT&T accidentally removed us from the Unlimited Local Calling Plan at our Menomonee Falls location. I never would have caught this oversight.

I will be contacting you for an assessment sometime later in 2008 when our existing contract with AT&T expires.

Best of wishes, I look forward to our future discussions.
